

Advanced Nurse Practitioner (ANP) Vacancy

Wellington is a progressive and innovative practice with over 14,500 patients in Telford and Wrekin CCG, recently rated good by CQC.

At Wellington Medical Practice we recognise the changing health care climate and the value that Allied Health Professionals can add to patients care, improving the patient journey and ultimately outcomes. Currently we are keen to further recruit to our expanding team of Allied Health Professionals.

We have 5 GP partners, 2 Advanced Nurse Practitioners, Consultant Physio/MSK lead and Prescribing Pharmacist working with a highly skilled treatment room team of Nurse Practitioners, Practice Nurses and HCAs and the enthusiastic reception/admin team to deliver innovate and quantity patient care.

As one of our Advanced Nurse Practitioners you'll have recent experience within a Primary Care setting and clinical expertise, be adaptable, highly motivated and relish a challenge.

You will be registered with the NMC, with an independent nurse prescriber qualification and hold an MSC/Post graduate diploma or equivalent with advanced assessment skills including history taking, clinical examinations, differential diagnosis of undiagnosed conditions and initiating programmes of care.

We can offer a supportive and evolving environment for you to develop your clinical expertise and a competitive salary.

Please contact Patsy Clifton (Nurse Manager / ANP)
patricia.clifton@nhs.net for further information and to apply.
