OPEN DAYS

Look out for more dates for our next open days. We will be covering Asthma, Hypertension, COPD, Diabetes and more.....

Patient Participation Group (PPG)

We now have a PPG board which will be updated by our PPG members with new information that they wish to share with patients.

This is located beside the Healthy Hub (BP machine) so look out for updates.

NHS APP

If you're a patient at our practice you can now use the new #nhsapp, a simple and secure way to access a range of NHS services on your smartphone or tablet. You can use the #nhsapp to check your symptoms and get instant advice, book appointments, order repeat prescriptions, view your GP medical record and more. For more information go to www.nhs.uk/nhsapp

New Trainee Doctors

We are very pleased to introduce our New FY2

Doctor —

Luke Bradshaw who will be with us for four months and our GP Trainee

Dr Coffey who will be with us for 12 Months.

Dr Malhi will be staying with us for another four months

Appointments

In Sept 2019 we offered 3740 patients face to face appointments.

Thank you to all the patients who attended their appointments.

In June we had over 254 pre-booked appointments wasted as patients did not attend and did not cancel their Appointments.
