OPEN DAYS

On 15th May we are holding our COPD open morning.

On 22nd May we will be holding our Diabetes open morning

Meet Our Team

Dominic Barone

I'm Dominic and I am an Urgent Care Practitioner

I completed my paramedic degree at Hertfordshire University and I have worked for Bedfordshire and Luton Ambulance Service. I am currently studying for my Masters Degree in Advanced Clinical Practice.

I will have appointments available in the practice and I will be carrying out the Acute Visiting Service.

Patient Participation Group (PPG)

Our current PPG was formed in January 2018 we have eight members who attend monthly meetings at the practice, attend external meetings, help with the open days and they also come into the practice to talk to patients to obtain feedback to help us improve the services we offer.

The PPG will be having a dedicated information display in the practice and will be updating it, So look out for them next time you are in the practice.

Appointments

In April 2019 we offered over 2750 patients face to face appointments.

Thank you to all the patients who attended their appointments.

In April we had over 180 pre-booked appointments wasted as patients did not attend and did not cancel their Appointments.
